"Choose Respect" Marble in Jar Certificates

All of the PP students ~ Listening attentively during their first Marble Meeting.

Axel & Hunter Ayres ~ For being wonderful students during their time at Dwellingup P.S.

Alby Birmingham ~ Seeking assistance to sort his litter at lunchtime.

Lincoln Douglas ~ Demonstrating responsibility by observing our school road crossing procedure.

Hemi Sellenger ~ Fulfilling her role as book monitor very responsibly.

Lucas Swiderski ~ Demonstrating maturity and responsible road crossing behaviour by noticing that a car was indicating to pull out and waiting.

CONGRATULATIONS!

Imaginative Writing

This week students in the year 1/2/3 class were provided with this very interesting stimulus picture and were invited to write a story based on it. We were delighted with the range of interpretations.

Crood and Sindy have been practising for 'Animals Got Talent' for six years! They can leap jump ten feet in the air! They are both twenty-one years old. They met at leap jumping class. They are going on the stage now so give them some good luck. Jump, jump! Eve

Once there were two giraffes. One was named Serious. He took everything silly. The other was called Silly. He took everything seriously. One day Serious was playing in a meadow. That's when he saw a fly! Then he jumped onto Silly's back. Hemi

One day in the forest two giraffes were on a flat surface.

Their names were Hoppy and Strongy. They were practising their stunts. They were making a show about stunts. Strongy stood still and then Hoppy leapt over his back. They did it again and Strongy did the splits. Bodhi

Dirt Matters

On Thursday students planted some more vegetables, weeded the garden and applied some fertilizer.

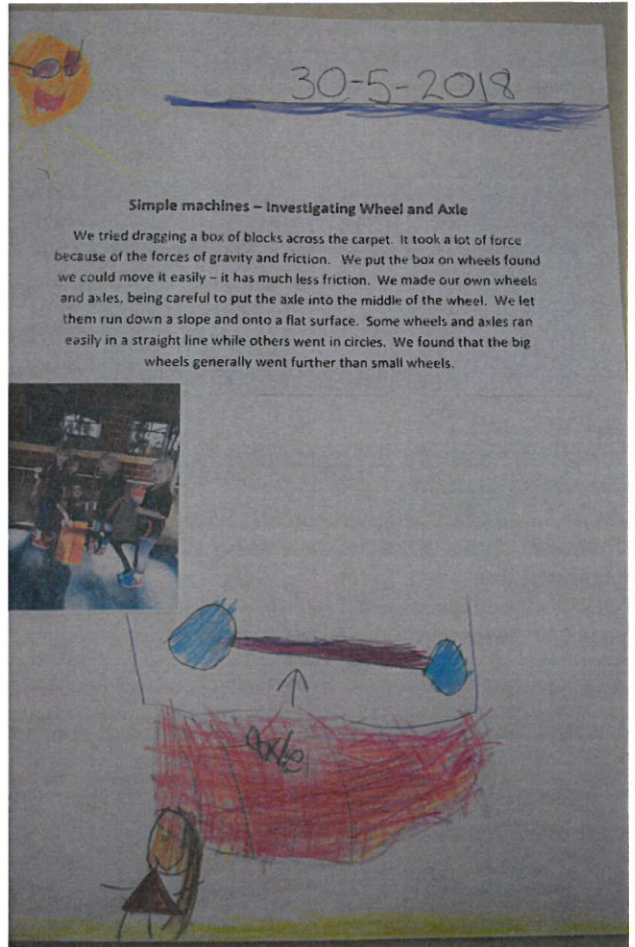

Above & left: Busy in the garden.

Meanwhile, in class we are learning more about fire and how it affects our jarrah forest.

Above: Angela and Joseph completed this fantastic work.

Students learned about Aboriginal “firestick” or “mosaic” burning practices and how this protected animals and plants and assured their survival. Aboriginal people knew that “if you don’t look after country, country won’t look after you”.

Above: This is Ruby's 'investigating wheel and axle diagram. It is very impressive that she has labelled her diagram. (The sun looks very cheery too).

Mrs Kinal's Wednesday afternoon PP/1 students are busily compiling journals recording their findings about simple machines. They are utilising diagrams, illustrations and photographs.

Science

This weeks' students in years 4/5/6 used coding (basic computer programming) to locate features of bees on a grid. They programmed our friendly robots, Dash and Dot

Word from the Chaplain

You are invited
to Afternoon Tea with the Chaplain
on Thursday the 28th June 2018
in front of the Chaplains Office near the
Staffroom.

Come along any time before and
Assembly for a cuppa, a chat and
delicious baked goods

All Welcome

School Improvements

This formwork was installed at the Early Childhood during the week. There will be a lot of hard work occurring over the weekend that will result in the K/PP students being delighted on Monday.

Playgroup

Dwellingup Playgroup is based at our school. The 0-3 years is the age when brain development is at its peak and it is very important that children engage in quality play based learning.

Wednesday 9.00-11.00am
Room behind school Undercover Area
ALL WELCOME!

Blankets for the Homeless

It is getting quite cold at night and sadly there are an increasing number of people who are homeless. Please leave any spare blankets / doonas you may have behind the ECE room.

Thank you to **Glynn Hill** for organising this.
