Year 4/5/6 Assembly

Parents had the opportunity to see one of our new e-Boards in action at the assembly yesterday. The students in the year 4/5/6 class have completed projects where they were required to design their own shop.

Students had to come up with a concept, decide what to sell and design and then describe their concept using descriptive language. Maths skills were integrated by the measuring of angles in the designs. We were presented with some very innovative and original ideas. We have some budding entrepreneurs in our school!

Here are some of the designs / ideas:

TAF

The ginormous wood shop on the corner of Woodford Street was overtaken with all of the foods bakers dream about. The aroma of all of the foods was so fantastic the fussiest people would dream about entering TAF with their mouth wide open. On the second story, which is easily accessed by a lift or stairs there are these toys for kids aged four to twelve. There are wonderful books for all ages and you could sit in one of the beautiful seats and see if you like the book before purchasing it. Inside it is very tidy. It is clean all the time from all of the wonderful cleaners.

BOB THE TOOL

The shop is as tall as a three story house.
All of the workers are going to my shop.
My shop is the hardest to find. It is at
the back of an alleyway. It is unique
because we have the most amazing
hardware in the
world because we
know the best
people to buy it
from. Our
hardware smells
like new shoes.
The aroma
draws people in.
All of my tools
are spread out
so you can see it
all in one blink
of an eye.

Virtue: Honesty

"I am honest. I can be trusted to keep my word. I admit my mistakes. I tell the truth kindly and tactfully. I have no need to impress others. I accept myself as I am."

You are practising honesty when you:

- Say what you mean and mean what you say.
- Make promises you can keep.
- Admit your mistakes.
- Refuse to lie, cheat or steal.
- Tell the truth tactfully.
- Are true to yourself and do what you know is right.

Choose Respect

Our school's Code of Conduct is based on **"Choosing Respect"**.

"Respect is to Treat Others and Yourself with Care and Consideration."

Every member of the school community is encouraged to **"Choose Respect"**.

To **"Choose Respect"** is to make a conscious effort to:

- Treat others with Respect, no matter how they treat you.
- Treat yourself with Respect.
- Forgive others who do not treat you with Respect.
- Resist your natural desire to pay back or take revenge.
- Apologise when you do not treat others with Respect.
- Support others who are not being treated with Respect.
- Ask for support when others do not treat you with Respect.

"Fostering a Culture of Respect in the Community."

Merit Certificates

Ayden Bower ~ Making huge improvements in maths.

August-Rose Butler ~ Learning all of her 'bonus' words.

Eve Campbell ~ Learning 200 sight words and for being a hard worker in class, she is sensible, reliable and always willing to help others..

Kara Tovey ~ For taking risks and 'having a go' at difficult writing and maths tasks. Keep it up Kara.

Crunch & Sip

A Crunch&Sip School

Thank you to **Lee & Laine Vanelst** for organising **Crunch & Sip** in the school. Students enjoy a

platter of fruit and vegetables to share in their classroom before recess each day.

A Fantastic Big Brother

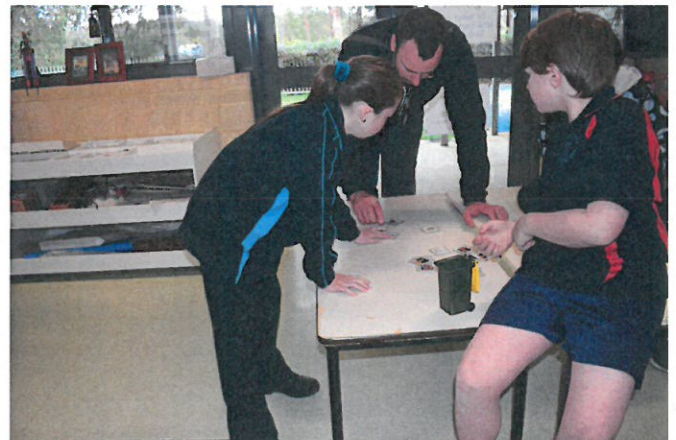

I walked out the front of the school one day this week and saw **Tyler Reid** giving his younger brother **Logan** an impromptu bike riding lesson. What a fabulous brother. I was doubly impressed that Tyler ensured Logan was wearing a helmet!

Faction Sports

Our school Faction Sports are on **Friday 31st August**. Our two factions are **Jarrah** and **Marri**. Please ensure that your child wears the appropriate coloured T-shirt on the day. If this is an issue, please see us and we can arrange something for you. The day commences at 9.30am. Parents are encouraged to come along and cheer! Our oval looks sensational. Thank you to **Mr Warren** for all of the preparation that has been necessary and to **Mr Melkert** for organising the day. What wonderful Geoff / Jeffs.

Cleanaway Incursion

On Wednesday students participated in an incursion organised by **Cleanaway**. Students learned about how much rubbish is going into landfill, the importance of recycling to the planet and a lot about how to recycle effectively. Students will engage in a second Cleanaway incursion this Wednesday. If you want to know more about the incursion, ask your child and they will be able to give you lots of information.

Book Character Dress Up Day / Author Visit Years 4/5/6

This **Tuesday 28th August** the years 4/5/6 class are being treated with a visit from an author. Students in years K/PP and 1/2/3 will be bringing home a survey to ask parents what their favourite books were when they were children.

On that day the whole school is invited to come to school dressed as a character from a book.

Forest Discovery Centre Incursion

On **Wednesday 5th September**, an excursion to the **Forest Discovery Centre** in Dwellingup has been planned. Our school has a partnership with the **FDC** and we have engaged in fantastic learning experiences there in the past.

This incursion aims to extend student's knowledge of Aboriginal culture and has been funded by a grant so there is no charge.

Students will engage in a Welcome to Country / Smoking ceremony and complete artwork and other activities. Students will walk to the centre and briefly visit the **Dwellingup Visitor Information Centre** on the way. The purpose of this visit is to look at the Dwellingup Fire 1961 Fire Exhibition.

A permission note for this excursion will go home to parents on Monday.

Playgroup

Dwellingup Playgroup is based at our school. The 0-3 years is the age when brain development is at its peak and it is very important that children engage in quality play based learning.
