## Years 1/2/3 Assembly

The year 1/2/3 students presented a really lively assembly item about the concepts of time that they have been learning. They looked ultra-cool in their dark glasses, caps and trendy clothes and they did some great rap moves.

## Welcome

We welcome **Kevin** (year 5) and **Cohen** (year 2) to our school. The boys have settled in quickly and we are delighted to have them here.

*Above: Some really cool kids complete a rap about time.*

## Crunch & Sip

Students are presented with a wide variety of fruit and vegetables on their class

**Crunch & Sip** tray each morning. This week we have had mini sweet-corn, olives, capsicum, sweet potato, sultanas, dried banana, carrot, pear, apple, grapes, beetroot and apple. It is great that the children are trying food that they thought they didn't like.

## Merit Certificates

*Ayden Armstrong* ~ For his willingness to help in the classroom and support of the younger students in the team games at the athletics carnival. Thank you Ayden

*August-Rose Butler* ~ Putting in a lot of time and effort at home into practising her sight words.

*Cohan Hodges* ~ Settling into your new school quickly and effectively. We are all really impressed with your fantastic behaviour and wonderful manners.

*Farrah Holster* ~ For her attention to detail in her work and super effort on sports day. Well-done Farrah!

*Kevin Pollard* ~ Settling into your new school quickly and effectively. We all appreciate your friendly personality and Mr Melkert appreciates the way in which you start work immediately.

**CHOOSE RESPECT**  
RESPECT IS TO TREAT WITH CARE AND CONSIDERATION

**CONGRATULATIONS!**

August-Rose, Cohan (front row). Matilda and Eve received certificates for knowing their bonus sight words.

## Playgroup

Dwellingup Playgroup is based at our school. The 0-3 years is the age when brain development is at its peak and it is very important that children engage in quality play based learning.

**Wednesday 9.00-11.00am**  
Room behind school Undercover Area

## Dirt Matters

Students have been busy constructing models of Nature Trails that they have designed. The results are creative and imaginative and incorporate many interesting features. They will be on display when they are completed. The weeding group needed to return indoors as it kept raining!
