Better Beginnings

This week **Anneke Scheepers** from the **Murray Library** presented "**Better Beginnings**" literacy packs to our kindergarten students. Developing a love of reading at an early age is crucial to Literacy success. We are grateful to the Murray Shire for supporting the school and parents in achieving this aim.

CHOOSE RESPECT

RESPECT IS TO TREAT WITH CARE AND CONSIDERATION

Our School in the Country

We are all lucky to have such a beautiful place to learn, work and play. The students make the most of their sensational grounds by coming up with a range of activities to engage in at recess and lunchtime.

Above: Ruby, Ambrosia, Zeke, Sienna and Pearl created an interesting design by using natural materials. (You can see it in the bottom left hand side of the picture.)

Left: Luca (year 5) and Jayden (year 6) give Alby and Lotu (year 1) and Kaiden (PP) a footy lesson.

Right: Farrah, Kara and Lily found that a tree made a great place to sit and have a chat.

Below: Sierra and Amiee enjoy the plunger swings.

Dirt Matters

Mr Warren and his helpers were very busy in the bush on Tuesday. They started spreading the gravel for the path and the older students pushed over some dead banksia trees. A lot was achieved in 15 minutes!

A Word from the Chaplain

Hi Everyone,

On Thursday we began the first **Lunchtime Club** activities for 2019 which a lot of the students took part in. The students enjoyed playing games, art and craft activities, playing pool and Lego in the chaplain's room. It was wonderful to see all the students being respectful of each other and taking turns without arguing. I would like to say a special thank-you to **Nate Fort, Aidan Bower** and **Cameron Campbell** who offered to help clean up. The Lunchtime Club will be held every Thursday and all students from Year One to Year Six are welcome to attend.
