"Constable Care" Protective Behaviours Incursions

Thank you to **Sergeant Dave Harnett** from Dwellingup Police for assisting to organise "Constable Care" Protective Behaviours incursions for our students.

The "Constable Care" incursions will be held on **Tuesday 24th September**. Parents are welcome / encouraged to attend.

Years 1 - 3 "Fun-Scary" Topic: Protective Behaviours 11.00am – 11.45am ECE 2

Timmy, Teagan and Sarge the dog are at the park enjoying a beautiful afternoon. They get butterflies in their tummies as they zoom down the big slide and their hearts pound with excitement playing chasey. They realise that it can be pretty fun to feel a little scared, but not always. There is a difference between fun-scary and bad-scary, and there is a difference between safe and unsafe secrets.

Years 4 – 6 "Screen Name" Topic: Online Protective Behaviours 12.00 – 12.45pm

Laura and Max aren't just ordinary students. Online they are "PixieGal_13" and "Maxatak". Laura meets "Sk8terDan" in a chat room and he persuades her to meet him. Upon seeing him she discovers he is far older than he said. She becomes afraid. She realises she has given him too much personal information. Max helps her realise she must speak to a trusted adult to resolve the situation.

Please do not hesitate to contact me regarding this or any other matter. We also thank **Sergeant Harnett** for all of the support he gives our school generally. **Sergeant Harnett** and I are working on Road Safety education.

Humanities and Social Sciences K/PP

In the History strand of this learning area, students have been learning about how objects, including photographs, can teach us about the past. Students also learned that people keep things and look after them carefully so that they always have things to remind them of important family events. We talked about how we grow as we get older. One student thought that I must have eaten more vegetables when I was young and that's why I ended up so much taller that Mrs Kinal!

Left: Evie is showing us a tiny dress that she wore when she was a little baby. She also showed us a baby picture of her mum as a baby and her as a baby. Evie then showed us the pink teddy that she was given as a little baby.

Right: Kaiden showed us the teddy he had as a baby and a photo of himself with his brothers when Harley was a tiny baby.

Left: Ambrosia showed us 'Baby Horsey', 'Mow Mow' and 'LadybugLight' ~ toys that she was given when younger.

Mandurah Wildlife Rescue

Mandurah Wildlife Rescue in Dawesville is looking for a site to do a soft release of a group of young kangaroos. There are approximately eight joeys (around two years of age). A safe area with a water supply close by is needed. Food is provided for the first couple of weeks before they become independent. Please leave your name and contact number at the school and MWR will be in contact. Many thanks.

A Word from the Chaplain

Hi Everyone,

Congratulations to all the Dwellingup Primary School students and staff for a very successful Sports Day! There were some fantastic achievements from students across all year groups and it was wonderful to see all the parents and families who came to watch and support their children. The sunshine and the excitement of the field and track events combined to create an enjoyable day and it was wonderful to see all the children demonstrating outstanding sportsmanship and team spirit. You should all be very proud of your efforts.

Faction Sports

Congratulations to all for the success of the **Faction Carnival** that was held on Friday.

Mr Melkert usually organises the myriad of tasks that need to be undertaken in order for a carnival to occur. Due to **Mr Melkert's** illness, and having to leave the school at short notice, a huge void needed to be filled. I offer my heartfelt thanks to **Mrs Dawn Bosanac** who stepped up without being asked and did an amazing amount of work in a very short time in addition to attending to her usual duties. Of course, **Mr Geoff Warren** was there offering his practical advice as well as preparing the track and the school grounds to his usual impeccable standard. Thank you to **Mrs Sadler** who had to organise the senior teams as well as the junior teams on the day and beforehand. Thank you to all of the staff who supported this process and for their work before, on the day and after the events.

Dwellingup Playgroup is based at our school. The 0-3 years is the age when brain development is at its peak and it is very important that children engage in quality play based learning.

Dessert!

Earlier this year **Robyn Clarke MLA** invited the year sixes to **Parliament House**. Ms Clarke gave us a very interesting tour of Parliament House and explained different aspects of government to us. We then enjoyed a silver service lunch in the Parliament House dining room. Unfortunately there was not time for dessert so Ms Clarke promised that she would deliver some to school. Last week Ms Clarke arrived with a Magnum for everyone!

Pump / Skate Park Working Bee

Thank you to **Cowen Armstrong** and **Jayden Chapman** for completing an hour of raking, leaf blowing and litter picking up at the skate / pump park on Friday. **Shelley** from the **Blue Wren** drove past and was so impressed that she shouted the boys a milk shake. That shows that good deeds are noticed and appreciated. More clean ups are planned for the future.

“Dwellingup 100”

After a chilly start last Saturday turned into a perfect day for the **Dwellingup W.A. 100** ride. Children from Dwellingup have been regularly practising on a Saturday morning for the 14 km ride. They were incredibly excited that the big day had finally arrived. Well done to the children for braving a range of weather conditions and succeeding in really building up their fitness and confidence levels over many weeks. We were delighted to have entire families along for the ride this year. We were also impressed with the number of really young riders (Kaiden, Alby, Ruby, Jacob and Macklin) who came along for the ride

We extend a huge thank you to **Peter White** from **Dwellingup Adventures** for all his support including coming along on the rides, lending bikes and maintaining all of our bikes free of charge. Thank you also to **John Cusack** and **John Laird** for providing supervision and assistance. Thank you to the **Dwellingup Community Compact** for providing insurance for the riders. Thanks to all of the parents who ‘came along for the ride’ and supported their own and others’ children. Thank you to **Lucinda Sellenger** for taking time out of her holiday in Bali to organise the T-shirts. We thank **Wendy Binks** again for the wonderful “**Bush Riders**” design.

Thank you to our other sponsors ~ the Shire of Murray, Alcoa, Dwellingup P.S. P&C and Robyn Clarke MLA.

Above: Tayler, Cameron, Angela and Kara present Robyn Clarke MLA with a “Bush Riders” T-shirt to express their gratitude for her support.

Left: Out on the track ~ Phil Day rides with his daughter Ruby.

Our P&C were out in force on the day. They were at the oval from 5.00am onwards selling food to the event organisers and participants (that doesn’t count the shopping the day before and the setting up the night before). \$1300 was raised. These funds support your child at school. This week the bus to the Interschool Sports is subsidised by the P&C. I acknowledge the large number of staff who helped on the day.
