## Contact Details

It is essential that we are able to contact parents should the need arise. If you aren't available, it is important that your contact person's details are up to date. Please check with us if you are unsure.

**PUPIL FREE DAY Fri 22nd Nov**

## Outdoor Classroom Day

*Above: The K/PP/1 students completed mandalas using natural objects that they found in their playground.*

Thursday 7<sup>th</sup> November was World Outdoor Classroom Day. The day is aimed at *"Working to enrich children's learning and play by improving the way school grounds are designed and used. The well-being of children and the ecological diversity of their learning landscapes are intrinsically linked"*. Students looked at what students do in Sweden, California and Nigeria on this day. We noticed that we are SO lucky to have so much nature at Dwellingup Primary School.

*Left: Senior students collected a range of natural found objects to create mandalas in our bushland.*

## Thumbs Up For Swimming!

Congratulations to all of the students for their efforts in swimming lessons this week. The swimming teachers were very impressed with the attitude and behaviour of the Dwellingup Primary School students. Swimming week is always a pleasant interlude during term 4. Once again congratulations to all of the students. Special mention goes to the following students:

*Cameron Campbell* ~ Demonstrating very impressive perseverance.

*Damon Morrison* ~ Returning at the conclusion of the sessions to thank his swimming teacher.

## Environmental Award

The **Environmental Award** this week goes to **Bodhi Maddox-Collins**. **Bodhi** alerted a few of us before school on Friday that a lace monitor had dug itself a hole at the end of the school oval, near his house. We arrived just in time to see it disappearing into its hole. **Bodhi** reinforced the importance of allowing it to exist in its habitat. We were all very impressed that the little lace monitor could dig a home in such hard gravel and I was impressed with **Bodhi's** attitude of 'live and let live' and the need to respect and protect the creatures that share our school grounds..
