## Bushfire Season News

Last week **Mr Warren** attended professional learning in Mundaring. The professional learning is aimed at ensuring that we are all as aware as possible of various fire safety procedures and practices. Topics covered included:

- Bushfire behaviour.
- DFES classroom materials.
- Assessing bushfire risk.
- School and home fire plans.

Thank you **Mr Warren**.

## Remembrance Day

Last Tuesday our year 6 students hosted a **Remembrance Day Commemoration** at the school. Once again, our wonderful local RSL supported this event. **Mr Alf Allen** delivered the address in his usual very moving and sincere manner. For those of you who don't know, we 'adopted' Alf in 2007 under the RSL's "Adopt a Digger" initiative.

*Left: Cameron and Tayler laying the wreath. These boys are members of the Dwellingup Volunteer Fire Brigade cadets and proudly wore their uniform on the day.*

*Above: The recorder players play "Amazing Grace".*

## 2020 Kindy Orientation

Last week an orientation session for children entering kindy in 2020 was held at our school. We welcomed the new prospective students and their parents to our school. We even had some grandmas! The children engaged in a range of activities and met their new friends; the 2019 kindy students.

*Left: Evie puts a lot of concentration into making a lovely pattern.*

*Above: Arly and Maxen are very busy modelling with playdough.*

*Above: Nash is making a nice cup of tea for mum in the kitchen corner.*

*Above: Arlo's fabulous painting!*

*Right: Nate enjoying painting a spotty picture.*

*Above: A very important part of Orientation Day at Dwellingup Primary School is a walk around our beautiful school grounds and bushland.*

## Daniel Iley

Artist **Daniel Iley** returned to our school last week to complete more fabulous art based on plants and animals found in our jarrah forest. Whoever thought that our grounds could be even more beautiful? Once again we thank **Pam Laird's mum Nadine Lovering**, for knitting beanies and donating the proceeds to fund this project.

## Crane Family Travels

*Hello to everyone at Dwellingup Primary, How are you all? We have made it to Sydney at last and are enjoying some of the creature comforts of permanent housing! Our first month of travels took us slowly up the west coast to Broome, seeing many beautiful places along the way. We saw dolphins at Monkey Mia and crocodiles in Broome, but the boys have enjoyed digging in the sand at the many beaches most. It was quite warm by the time we got to Broome and very hot by the time we reached Kununurra so an air conditioned cabin at Lake Argyle was required before the long stretch of driving to the east coast (we decided to skip Darwin and spend more time here). The boys have handled the long drives well, maybe a bit too much screen time though! We made our way down the Queensland coast over the last three weeks or so, I think we just made it down the highway before it was closed due to the fires which are burning in many places. We will be heading down to Melbourne via Canberra in a week or so to get the ferry to Tassie. We are Looking forward to settling down again. We are missing Dwellingup and everyone there.*

*Bye for now,*

**Martin, Erika, Thomas and Patrick.**

## Road Safety Awareness Event

On Tuesday 10<sup>th</sup> December Tania Gigg from SDERA (School Drug Education and Road Aware) and Constable Matt Payne from Dwellingup Police, will be conducting a Road Safety Awareness Event at our school at 1.00pm. All students in the school will participate.

Activities are as follows:

**Stopping Distances** – demonstration and discussion. Students will be made aware of how long a vehicle actually takes to stop after the brakes are applied.

**Safety Door Demonstration** – students will be shown the importance of using the safety door.

**Bike Safety** – discussion about various aspects of bike safety including the importance of wearing a bike helmet.

We thank **Sergeant Dave Harnett and Constable Matt Payne** for their commitment to community safety.

*Producing more than gold*

## Local Voices

Newmont Goldcorp is pleased to announce the launch of the Local Voices survey.

Local Voices enable the community, and our employees, to share their views on our business, our contributions, and our impacts in Boddington and the surrounding communities.

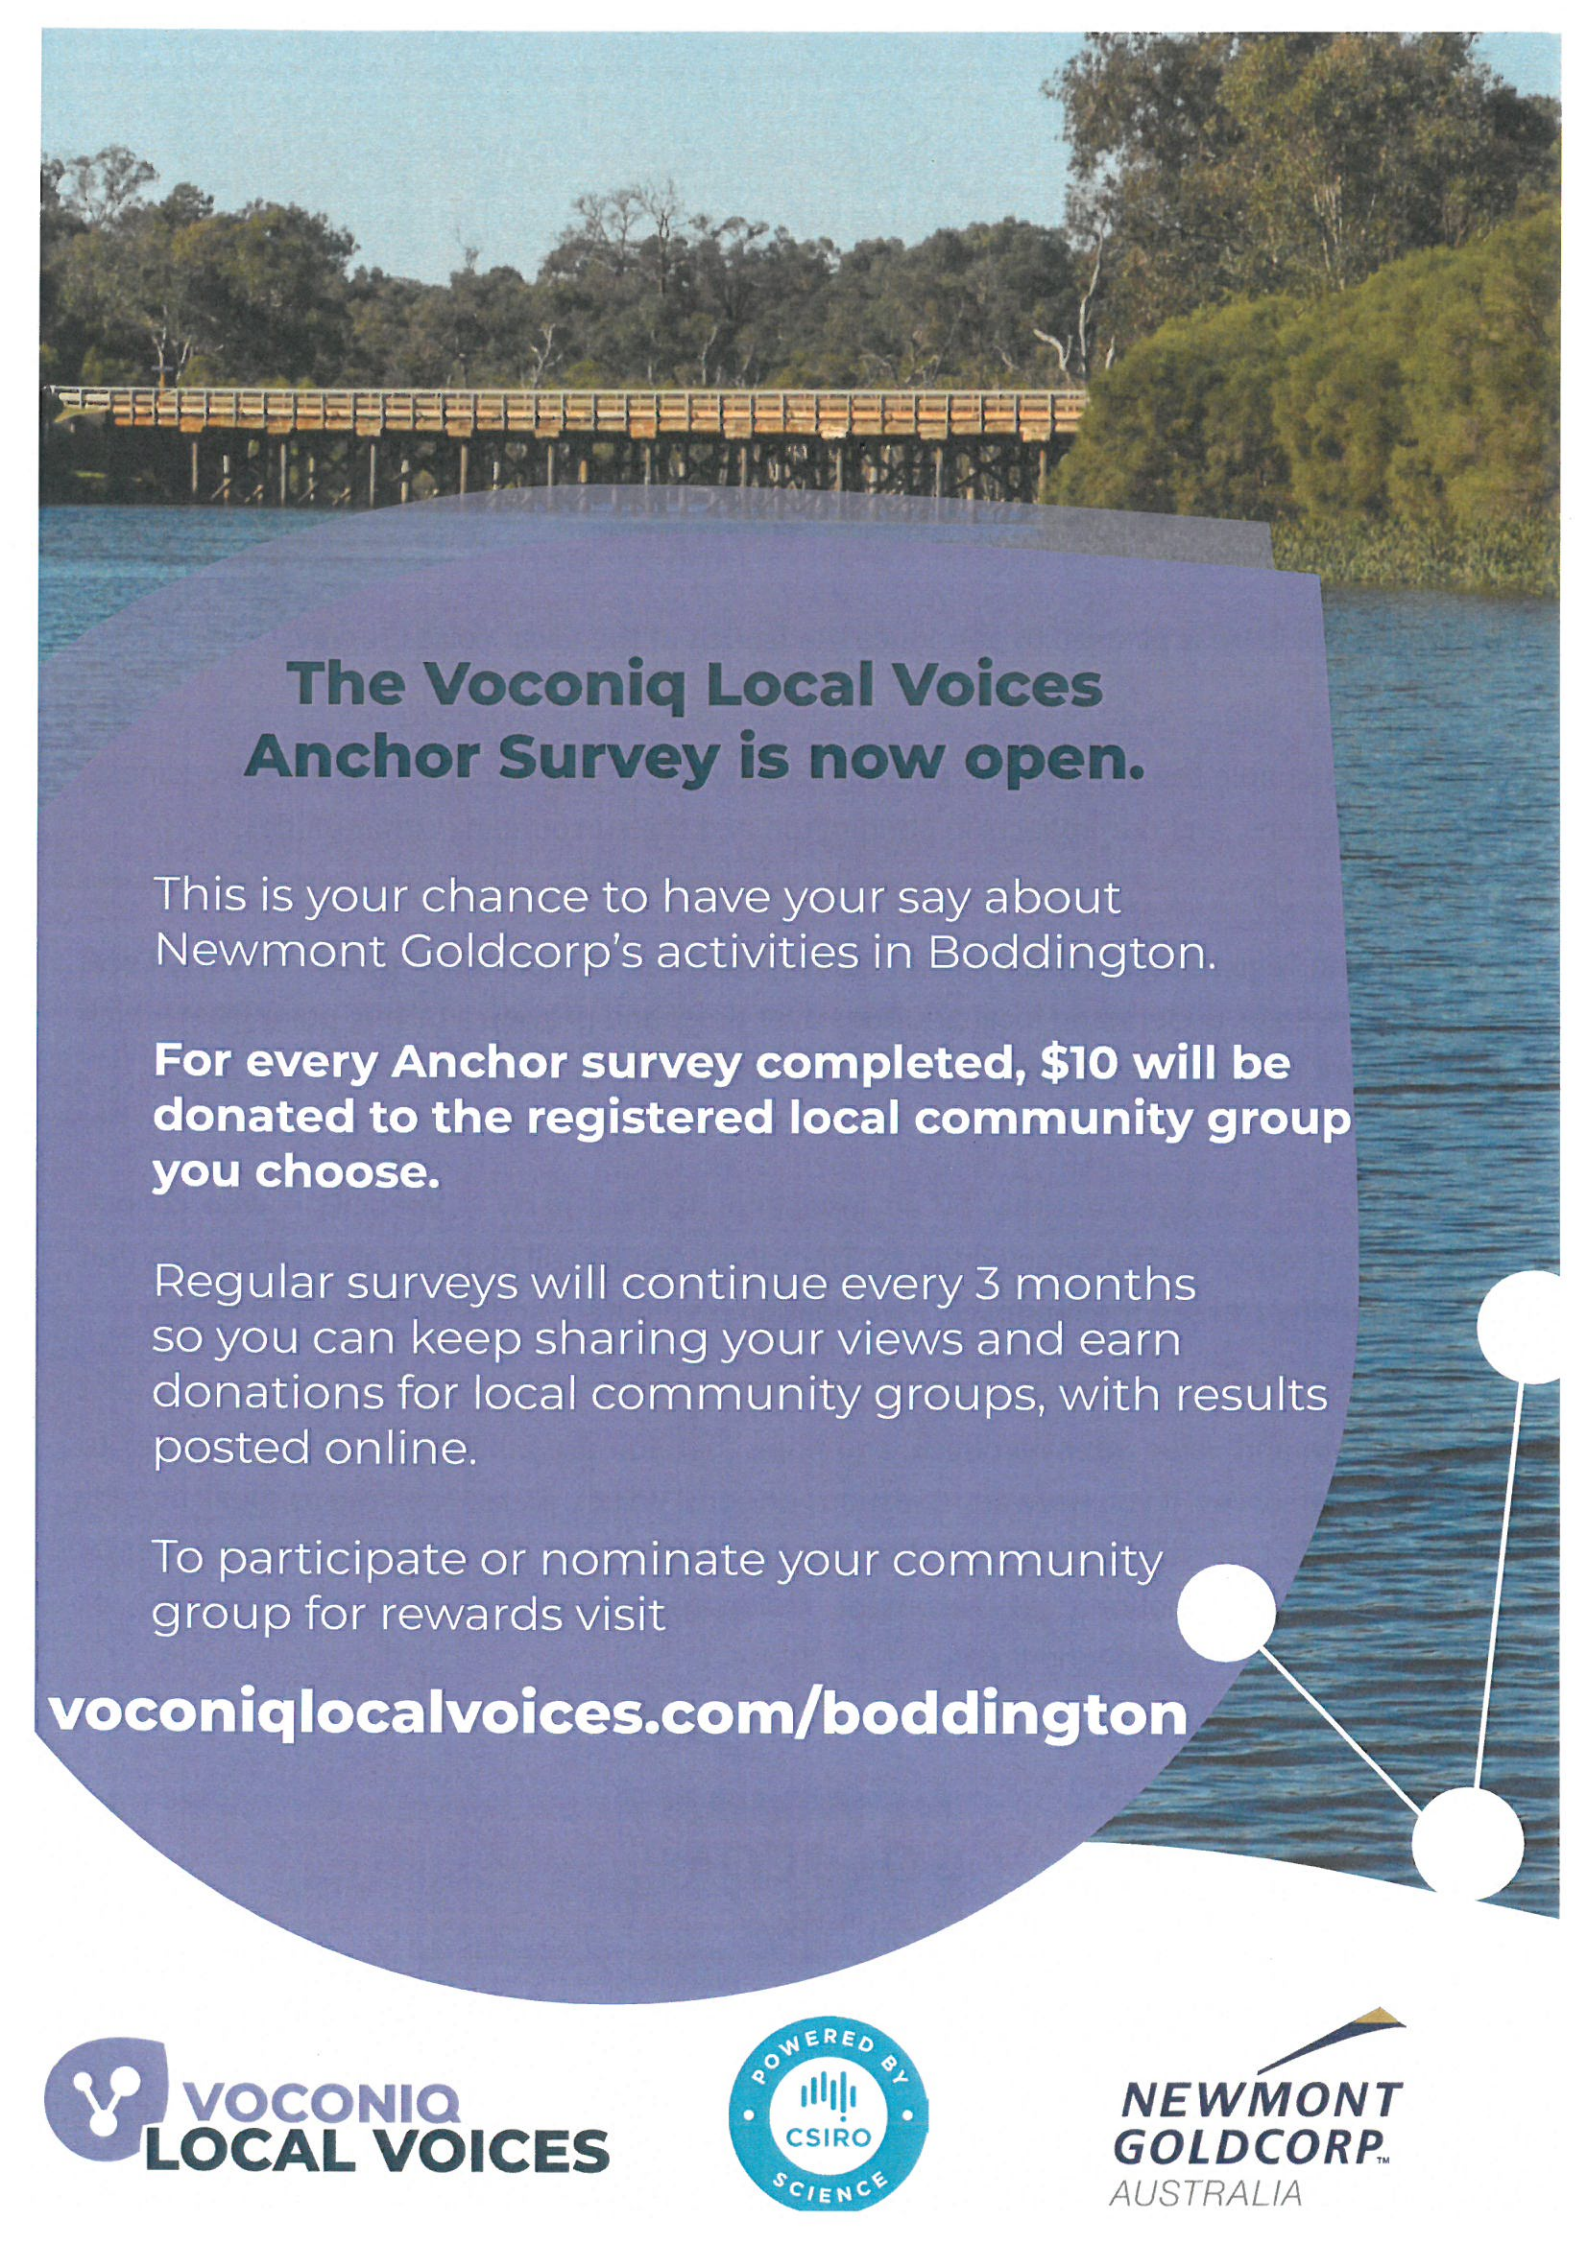

Starting with registration and an anchor survey, followed by quarterly “pulse” surveys, Local Voices will help us understand local priorities over time, and provide a talking point from which we can work together with stakeholders to address key areas.

Local Voices is managed entirely by an independent third-party – VoconIQ – who collect, analyze, and report on the survey findings. The survey results will be publically available so that the community can see the feedback. Participation is voluntary and all data is confidential.

We welcome and value your feedback, and hope that you are able to take a few minutes to complete the survey. If you have any questions on Local Voices, please feel free to speak directly with VoconIQ at the numbers provided on the attached poster, or call Cath Pattenden, Senior Advisor External Relations, at Newmont Goldcorp Boddington on 0447 718 132 or [Catherine.pattenden@newmont.com](mailto:Catherine.pattenden@newmont.com).

## The Voconiq Local Voices Anchor Survey is now open.

This is your chance to have your say about Newmont Goldcorp's activities in Boddington.

**For every Anchor survey completed, \$10 will be donated to the registered local community group you choose.**

Regular surveys will continue every 3 months so you can keep sharing your views and earn donations for local community groups, with results posted online.

To participate or nominate your community group for rewards visit
