School Improvements

The school holidays are a good time to get jobs done around the school. These holidays were no exception. When I first arrived at Dwellingup Primary School in September many years ago, it happened to be a particularly wet week. The students all expressed a wish for a bike shed. Well, many years later, we finally have one! A bike shed became affordable because **Geoff Warren** salvaged some poles for us, **Max Fort** salvaged some tin off the Visitor Information Centre and parent, **Mike Lamb** charged an exceptionally reasonable price to construct the shed.

Above: Our new bike shed.

Another improvement was a sandpit / shelter refurbishment in the Playgroup area. This was funded by the Education Department under routine maintenance.

The poles in the small undercover area have been replaced.

Above: Our new sandpit and shelter in the Playgroup area.

Mr Warren is currently working on an exciting secret project! Stay tuned!

The Latest from the Very Talented Mrs Lamb.

You are invited to walk down to the end of the passage outside the years 1/2/3 classroom to see a “Where the Wild Things Are” mural completed by **Mrs Juliet Lamb**. We are very grateful that **Mrs Lamb** puts in so much of her own time and all of her considerable talent to beautify our school.

Above: The fabulous mural outside the years 1/2/3 room.

Interschool Cross Country

The **Interschool Cross Country** will be held at Jarrahdale next **Thursday (30th July)**. You will be notified if your child is selected to attend the event on Tuesday when the run offs will be held. There are four competitors selected for each of the junior, intermediate and senior categories. (two boys and two girls for each age group).

Interschool Sports Carnival

Thank you to the parents who have returned the questionnaire regarding Interschool Sports arrangements. Your opinions are valued. Please return your survey if you have not already so we can gauge what the majority of parents think. If you require a survey, please contact the school.

Boxes / Bottles Wanted

Mrs Kinal requires boxes smaller than cereal box size. Please take them to **Mrs Bell** and **Mrs Kinal** in the ECE room.

Public Recognition

We know that our school is wonderful and we are very proud of all of our students and dedicated staff. It is wonderful when people publically acknowledge us. We were acknowledged twice this week.

Students I received a phone call from a member of the public saying that two of our students were exceptionally polite, friendly, welcoming and helpful to her grandson during a visit to the skate park during the holidays.

Congratulations to **Cowen Armstrong** and **Deegan Fort**, who together with an older boy, Deegan's brother Hayden, went out of their way to be ‘Dwellingup Ambassadors’.

Staff

“To Mrs Sing, Mr Jones and all of the staff at Dwellingup Primary. Thank you for making Yosef's transitioning to the school a friendly, welcoming and happy one.”

We received this message on a card from **Kelly, Tim and Yosef Rubenstein** (along with a huge and very welcome box of chocolates).

We are very grateful that the people referred to above took the trouble to express their thanks. We thank them for their thoughtfulness.

Thank you

Dwellingup Doors to Discovery Trail

Dwellingup's **Doors to Discovery** project is a cultural tourism initiative to highlight Dwellingup's built environment, creative industries and culture for visitors through a series of innovative installations themed around "Doors" in significant places around the town. Tourism collateral will be based around the artworks, highlighting places of interest through a Dwellingup "Doors to Discovery" passbook with map which locates doors and historically or culturally significant areas and creative businesses.

The project is a initiative of the Dwellingup Community Compact. (See attached flier for a Trash and Treasure Sale to be held on Saturday 8th August at the Community Hall that will support this project.)
