Dear Parents,

We have changed the structure of the lower school. All schools are funded on actual enrolments. Fortunately we had unanticipated enrolments and students we believed were leaving are still here, resulting in some additional funds. These additional funds combined with three staff members making DOTT sacrifices and me picking up additional teaching time allowed us some flexibility. Changes are common in all schools at this time of the year.

The new structure is K/PP, years 1/2/3 and years 4/5/6.

PP and years 1/2/3 will join together for hands on activities - Art / Information Technology / STEM (Science, Technology, Engineering and Maths) in the afternoons when kindy children are not at school which is similar to last year. Again, Mrs Wagenaar, Mrs Bell and Mrs Lamb will support these learning areas.

Sorry for the inconvenience so early in the term, however we believe that it is in the best interests of the students to make changes before routines are established.

Arrangements for the rest of the week are as follows:

THURSDAY

ECE	K/PP
Room 2	1/2/3

FRIDAY

ECE	PP
Room 2	1/2/3

Please do not hesitate to contact me if you require further information.

Yours sincerely,

Colleen SING

Principal
