Years K / PP Assembly

The K / PP students have been learning about insects this term. The ECE room is full of fabulous insect inspired art. The students utilised their learning to share a lot of very interesting facts about insects at their assembly last Thursday. They also sang a song called "Snail, Slug."

Below: The colourful "Snail / Slug" song / dance.

Merit Certificates

Bronte Alers ~ For all of her fantastic learning so far in year one. Bronte brightens our classroom like a star!

Lily Hanstrum ~ For always completing amazing work. Lily, we are so proud of the learner you are becoming! Well-done!

Karly Goncalves ~ For her mature and positive approach towards all areas of learning. Fantastic work ethic Karly.

Yosef Rubenstein ~ For being a positive, hard working member of the class. Well-done and keep it up!

Pinjarra SHS Transition

Pinjarra SHS works closely with local primary schools to ensure that the transition to secondary school is as comfortable and happy a time as possible. The aim of the program is to ensure that students are well prepared for this significant move and are familiar with the school and its routines prior to commencement.

Pinjarra SHS have prepared a very thorough Transition Program that commenced last week and continues throughout the year.

Last Tuesday **Ms Fiona Davidson, deputy principal**, visited our school for the initial talk. As well as receiving the talk and enrolment packs, our students had the pleasure of meeting **Summer**, the Pinjarra SHS Therapy Dog. Students learned that Summer plays a significant role in the school and even has her own timetable.

A reminder that enrolment packs need to be returned to this school by **Monday 28th June.**

"M-U-S-I-C"

Several weeks ago students from the years 4/5/6 repaired the M-U-S-I-C letters from the house at the back of the school. Thanks to **Mr Warren** for reattaching them.

“Containers for Change”

We received the following “Containers for Change” update recently. We are very impressed that our school, with only a population of 55 is third when Secret Harbour PS had 580 students. We are certainly “punching above our weight” in terms of recycling.

“Secret Harbour PS & Living Waters PS are consistent collectors running ongoing collecting competitions and Dwellingup PS are actively advertising and collecting from many parts of their community who donate directly into their bins which is great!”

The driver of this project is **Mr Warren, our gardener**. He is ably assisted every Monday by a team of sorters. **Mr Warren** is the recipient of the **“Choose Respect” Recycling Milkshake Award** this week. Congratulations!

P & C News

NEXT MEETING:

WEDNESDAY 16th JUNE 9.00am
School Staff Room

ALL WELCOME!

Constable Care

‘Constable Care’ is visiting us on **Tuesday 15th June**. Students will participate in the following performances:

K – 3 Pedestrian, Bike and Road Safety

The children will hear all about walking, riding a bike or scooter and travelling in the car safely whilst still enjoying the journey.

A reminder that until they’re ten, children must always hold an adult’s hand when crossing the road.

Bullying and Empathy

With the overarching aim of bullying prevention, this interactive performance encourages students to think about how their behaviour can affect other people. It also helps students build confidence in social situations, making friends and developing resilience.

We thank the **Constable Care** organisation for supporting us in ensuring that our homes, neighbourhoods and communities are safer places to live and play.

Dwellingup Bush Riders

We were very impressed with **Bronte (year 1) and Byron (kindy) Alers** who came riding with their dad **Trent** last week. **Bronte & Byron** completed 12 kms without complaining. Even when **Byron** fell off he simply brushed himself off, hopped back on his bike and kept riding! Wow!

Kids and Anxiety

Family and Relationship Services

For parents and carers of children 3-12 years

1-session

Workshop Overview

Whilst some feelings of anxiety can be a normal part of a child's development, an increasing number of children are experiencing higher levels of anxiety that are impacting on their everyday life.

This workshop aims to assist parents and carers to understand anxiety and will provide simple strategies to use at home.
