Virtue: Honour

"I am honourable. I keep my agreements and treat others with respect. I care about doing the right thing. Principles and values guide my actions."

You are practising honour when you...

- Keep your word.
- Respect the rules and standards that you want to live by.
- Do what you believe is right no matter what.
- Stand up for what you believe in.
- Set a good example to others.
- Avoid doing things that make you feel ashamed.
- Don't excuse your actions because someone else has done something wrong.

Frank Spear ~ Visiting Cartoonist

On Wednesday, Dwellingup resident **Frank Spear** visited the year 4/5/6 class and delivered a very interesting talk about his 25 year career as a cartoonist / card designer. Mr Spear showed the students his amazing drawings and demonstrated cartoon techniques. Students learned that to get inspiration for cartoons you can write two lists of words and make associations between the two, keep a sketch book with you and record funny situations that you may see and try to see the funny side of life. They also learned about pixels (dots per inch) and that the main colours used in printing are cyan, magenta, yellow and black. Students were invited to complete a cartoon to illustrate a joke.

We thank Mr Spear for giving up his time to provide this stimulating and educational talk to our students.

Interesting Fact: Mr Spear is President of the Dwellingup RSL.

Above: Ruben, Yosef, Evelyn, Hemi and Eve were very impressed with Mr Spear's art work.

Right: Mr Spear with his impressive cartoon that includes the Birdsville Pub.

P & C Day

From the Director General, Lisa Rodgers...

“While teachers are the most powerful influences on learning at school, parents and caregivers come first in terms of impact. As a child’s first teacher, they set the pre-conditions for quality teaching to have the desired effect.

Parents and caregivers are at the heart of our schools and this week we celebrate our Parents and Citizens Association (P&C) Day.

The role of our P&Cs is vital. I am so grateful for everything they do to support your work – whether that be fund-raising, supporting learning, or implementing significant school projects.

I’ll be at a school on Friday, and I am looking forward to celebrating P&C Day WA with them. This year is also particularly special as not only is it our fourth WA P&C day, but it also coincides with the Centenary of WACSSO.”

Over the years the P & C has supported the students in the school to a significant extent. We thank our current P & C for their commitment and dedication. This year the P & C Executive combined with the Boddington DHS to complete training. Our 2021 executive is as follows:

President: **Christine Reid**
Vice President: **Lucy Miles**
Secretary: **Kelly Campbell**
Treasurer: **Pam Laird**

To celebrate P & C Day students wore free dress and brought a gold coin donation. The donation was to express students’ appreciation for all of the great things that the P & C provide for them. **\$63.50 was donated.**

Money raised was used to provide a delicious afternoon tea for parents. Thank you also to parents who brought along a plate to share. Parents and children had a fantastic time. Thank you to **Christine Reid** for organising the event and thanks to those parents who came along.

All parents and citizens are welcome to attend meetings. Thank you to parents who attend the meetings and support events.

Olympian Visit

It is very exciting that the Tokyo Olympic games commenced on Friday. Next **Wednesday 28th July**, former gold medal winning Olympian, **Peter Dawson** will talk to students in years PP – 6. Hopefully we will get to see his medals, including his gold medal!
