"Choose Respect" Marble in the Jar Certificates

Bronte Alers ~ Putting a lot of effort into completing a beautiful drawing of bracken fern and writing a wonderful "Imaginary World" story.

Bella Goncalves ~ Writing a wonderful "Imaginary World" story.

Lara Goncalves ~ Singing the School Song enthusiastically and inspiring those around her.

Wesley Holster ~ Completing an outstanding 'hot task' in verbal story telling.

Otis Hughes ~ Writing a wonderful "Imaginary World" story.

Lena Johnson ~ Writing a wonderful "Imaginary World" story.

Evie Myles ~ Putting a lot of effort into completing a beautiful drawing of bracken fern.

Sienna Panotidis ~ Successfully mastering rounding and borrowing task in Mathematics.

Indi Pollard ~ Successfully mastering rounding and borrowing tasks in Mathematics.

Macy Rickard-Hall ~ Making a massive improvement in completing a 'hot task' in "Talk for Writing" incorporating similes. (A 'hot task' is the writing that is completed at the end of a unit of work that demonstrates understanding.)

Logan Reid ~ Successfully mastering rounding and borrowing tasks in Mathematics.

CONGRATULATIONS!

 RESPECT IS TO TREAT WITH CARE AND CONSIDERATION

“Million Paws Walk”

The year 6 students organised a walk to support the RSPCA last Thursday. \$52

was raised which will go toward helping to make animals' lives happier. Some students brought in toy versions of dogs, others brought in an incredible variety of other animals including a sloth, crocodile, python and a green sheep! It was a lovely day and we all enjoyed our walk.

Above: What a lovely day for a walk in the beautiful jarrah forest.

Left: Theodore, Alby, Breanna and Victor with their 'pets' ~ making sure we take the right track.

Below: We are lucky to have lots of walk and bike trails in Dwellingup ~ former student Jacob and mum Andrea joined us for the walk.

Left: Along the track.

Year 6 Camp Fundraiser

Year 6 students held a toasty lunch camp fundraiser last week. Thank you to **Lainee Vanelst** for assisting the students and to the anonymous donor of the materials. **\$108** was raised. Thank you to all of the parents who supported the year sixes by ordering your child a lunch.

Recycling / Charities

Please bring in obsolete mobile phones (recycling); batteries (safe disposal); stamps (Rotary sell them for charity and have raised \$90 000 in 23 years); toothpaste tubes and old toothbrushes. There are collection bins in the passage.

Students who bring in items receive a raffle ticket which goes into a weekly draw for a milkshake. Recipient is as follows:

Week 10: Nash Vuletic

Milkshakes are kindly donated by Longriders' Café.

Dwellingup '100' UCI Event

On Friday 15th September our students have been invited to participate in a parade with the international athletes who are participating in the UCI event. One student will carry the country's flag and the others will walk in a group next to the flag and the athletes from that country. I have been provided with a list of the 10 countries that form the majority of international registrations.

For even distribution, we have assigned each student to a country. If you have a particular affiliation with a country and your child has been assigned to a different one, please contact me and a change can be made. **All you need to do is to dress your child in the costume of the assigned country OR its flag colours on Friday 15th September.**

We will have a bike decorating event at school on either Thursday 14th Sept or the morning of Friday 15th (when I find out what time the parade is on, on Friday). If your child does not have a bike, there are plenty of spares around. More information will be sent out about bikes next term.

Clever Girl!

Left: Last week Macy finished all of her work so she went off and created a 3D bubble! She coloured a blue circle for the base and then attached a blue strip like a rim. When you push the strip in, the bubble pops! Amazing!

Playgroup News

Last week mum Megan helped Harley to make a clever star and he also made a traffic scene with stickers.

"Dirt Matters"

Years 4/5/6

Q. What do you do with computers when they're even too old to donate to charity? A. You pull them to pieces and recycle the components.

Left: Anika holds the thick plastic from inside a screen (we'll use it for art).

Right: Victor holds metal from inside a hard drive that will be sold as scrap.

Years PP/1/2/3

This term students in years Pp/1/2/3 have been learning about specific plants in the jarrah forest. Last week, we borrowed Edo's lovely idea, and students were invited to explore the bush and to find something special that grows in the Noongar season of *Makuru*.

Above: Evie and Bronte thought this bracken fern was beautiful.

Above: Nash sketched these beautifully constructed ant nests ~ from a safe distance!

Left: Tahni found an amazing water collecting tree.

Outside the Years 1/2/3 Window

Left: This tree outside the years 1/2/3 room almost glows when the sun briefly shines. We have had some gloomy days and people having been feeling ill and sights like this must have a positive effect on us all!

Interesting Fact: Pam & John Laird once had a deciduous tree nursery and donated many beautiful trees to the school.

Dwellingup Bush Riders

We were impressed that we had riders who braved the frost on Saturday morning!

Left: Our happy leader on Saturday was Jackson.

**SATURDAY 9.00am
WAYPOINTS CAFÉ
All ages welcome!**
